Tent

You will need to organize the rental or purchase of your tent pretty much right away. As we did last year, we are limiting the track facing real estate per team. This is to ensure that the majority of teams get track facing space. Trackside spaces are also available on a first come first serve basis, so get your team registered as early as you possibly can.

- **Individual team:** Is allotted a 10' x 10' trackside campsite space – you may go back as far as 30ft.
- **Sponsor teams:** Sizes vary as per signed sponsorship agreement

NOTE:

** All tent tie stakes, weights and campsite equipment/display must fit within your allocated track facing space*

** If you are sharing a tent space with another team or would like to request being next to another team, please let us know by April 30th, 2018 on your Onsite Registration Form.*

Electricity

Electricity will be granted to those teams who are utilizing it for fundraising purposes only. There are a limited number of teams we can accommodate and therefore will need all teams who are seeking electricity to fill out an **Electricity Request Form**. Once the form has been received, we will then email you within 2 working days to let you know if you have been approved.

Onsite Fundraiser

Please ensure that you **register** your onsite fundraiser this year. The reasons for this are:

1. **Duplication of fundraisers** – last year we had quite a few of the same fundraisers onsite. If we know what you have planned, we will be able to let you know how many, if any, other teams are planning the same thing as you.
2. **Printing in the programme** – With your permission, we would like to include fundraisers in the programme this year along with the location onsite.
3. **Selling food** – if your fundraiser is selling food, there is an application that needs to be submitted to the Dept. of Health. We want to ensure that you have your approval before Relay day.

NOTE: It is understood that some teams do not want to disclose the nature of their fundraiser – we understand and will ensure complete confidentiality.
